

REMARKS

In the June 29, 2007 Notice of Non-Compliant Amendment, the Examiner objected to the amendment document filed on June 4, 2007 because a complete listing of all the claims was not present. Furthermore, the Examiner stated that the claims of the amendment paper were not presented in ascending numerical order, nor were the cancelled claims mentioned.

In response, applicant has made a complete listing of all claims in ascending numerical order, including the cancelled claims.

The Commissioner is hereby authorized to charge any additional fees which may be required for this amendment, or credit any overpayment to Deposit Account No. 12-0115.

In the event that an extension of time is required to file this response, the Commissioner is requested to grant a petition for that extension of time that is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any

overpayment for an extension of time to Deposit Account No. 12-0115.

Applicant has made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Adam J. Bruno, Applicant's Attorney at (617) 720-0091 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
